BANK OF AMERICA MALAYSIA BERHAD (Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS 30 SEPTEMBER 2019

1 BASIS OF PREPARATION

The unaudited condensed interim financial statements of the Bank for the financial quarter ended 30 September 2019 have been prepared in accordance with the requirements of Malaysian Financial Reporting Standard ("MFRS") 134 "Interim Financial Reporting" issued by the Malaysian Accounting Standards Board ("MASB").

The unaudited condensed interim financial statements should be read in conjunction with the Bank's audited financial statements for the financial year ended 31 December 2018. The explanatory notes attached to the unaudited condensed interim financial statements provide an explanation of events and transactions that are significant for an understanding of the changes in the financial position and performance of the Bank since the financial year ended 31 December 2018.

The unaudited condensed interim financial statements have been prepared under the historical cost convention. The accounting policies and methods of computation applied in the unaudited condensed interim financial statements are consistent with those adopted in the most recent audited financial statements for the year ended 31 December 2018, except as follows:

A NEW AND AMENDED STANDARDS ADOPTED BY THE BANK

The Bank has applied MFRS 16 "Leases" for the first time with a date of initial application of 1 January 2019.

MFRS 16 "Leases" supersedes MFRS 117 "Leases" and the related interpretations.

- Under MFRS 16, a lease is a contract (or part of a contract) that conveys the right to control the use of an identified asset for a year of time in exchange for consideration.
- MFRS 16 eliminates the classification of leases by the lessee as either finance leases (on balance sheet) or operating leases (off balance sheet). MFRS 16 requires a lessee to recognise a 'right-of-use' of the underlying asset and a lease liability reflecting future lease payments for most leases.
- The right-of-use asset is depreciated in accordance with the principle in MFRS 116 Property,
 Plant and Equipment and the lease liability is accreted over time with interest expense recognised in profit or loss.
- For lessors, MFRS 16 retains most of the requirements in MFRS 117. Lessors continue to classify all leases as either operating leases or finance leases and account for them differently.

The adoption of MFRS 16 "Leases" did not have a significant effect on the unaudited condensed interim financial statements of the Bank.

2 AUDITOR'S REPORT ON PRECEDING ANNUAL FINANCIAL STATEMENTS

The auditor's report on the financial statements for the preceding financial year ended 31 December 2018 was not subject to any qualification.

3 SEASONAL OR CYCLICALITY FACTORS

The business operations of the Bank have not been affected by any material seasonal or cyclical factors.

BANK OF AMERICA MALAYSIA BERHAD (Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS 30 SEPTEMBER 2019

4 UNUSUAL ITEMS DUE TO THEIR NATURE, SIZE OR INCIDENCE

There were no unusual items affecting the assets, liabilities, equity, net income or cash flows of the Bank during the quarter ended 30 September 2019.

5 CHANGES IN ESTIMATES

There were no significant changes in estimates arising from prior financial period/year that have a material effect on the financial results and position for the financial quarter ended 30 September 2019.

6 ISSUANCE AND REPAYMENTS OF DEBTS AND EQUITY SECURITIES

There were no cancellations, repurchase, resale or repayments of debt and equity securities during the current financial quarter under review.

NOTES TO THE FINANCIAL STATEMENTS 30 SEPTEMBER 2019

33 FAIR VALUE OF FINANCIAL INSTRUMENTS

Financial instruments comprise financial assets, financial liabilities and off-balance sheet financial instruments. Fair value is the amount at which a financial asset could be exchanged or a financial liability settled, between knowledgeable and willing parties in an arm's length transaction. The information presented herein represents the estimates of fair values as at the balance sheet date.

Where available, quoted and observable market prices are used as the measure of fair values. Where such quoted and observable market prices are not available, fair values are estimated based on a range of methodologies and assumptions regarding risk characteristics of various financial instruments, discount rates, estimates of future cash flows and other factors. Changes in the uncertainties and assumptions could materially affect these estimates and the resulting fair value estimates.

A range of methodologies and assumptions had been used in deriving the fair values of the Bank's financial instruments at balance sheet date.

The table below analyses financial instruments carried at fair value, by valuation method. The different levels have been defined as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, as derived from prices).
- Level 3: Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

The following table presents the Bank's financial assets and liabilities that are measured at fair value.

	Level 1	Level 2	Level 3	Total
30 September 2019	RM'000	RM'000	RM'000	RM'000

BANK OF AMERICA MALAYSIA BERHAD (Incorporated in Malaysia)

STATEMENT OF DECLARATION

To the best of our knowledge, the accompanying Statement of Financial Position of Bank of America Malaysia Berhad as at 30 September 2019, and the related Statement of Comprehensive Income, Statement of Changes in Equity, Statement of Cash Flows and notes for the quarter ended on that date had been prepared from the Bank's accounting and other records and nothing has come to our attention that causes us to believe that the condensed interim financial statements are not presented fairly in all material aspects in accordance with the Malaysian Accounting Standards Board ("MASB") approved accounting standards in Malaysia for entities other than private entities and Bank Negara Malaysia Policy Documents and Guidelines.

For and on behalf of, Bank of America Malaysia Berhad

Chief Financial Officer Yvonne Lew Ee-Wern 25 October 2019
